How The Polar Bear Challenge Works

1. The male and female rider with the most miles traveled each round wins. The male and female with the most cumulative mileage are grand prize winners. See prize list below.
2. If either male or female class has less than 5 participants, the classes will be combined and the top 2 high mileage riders monthly and cumulatively will receive prizes.
3. You can participate in as many rounds as you like and/or the cumulative portion.
4. Mileage check-in must be done in person* at Bob's BMW Service Department, Tuesday-Friday 9am-5:30pm or Saturday 9am-3:30pm. No appointment necessary.
5. Each participant is allowed one excused in-person check in and can submit mileage via email by purchasing a newspaper, holding it next to your odometer, and emailing that image to hanna@bobsbmw.com.
6. T-shirt sizes will be collected during registration so you can receive your shirt at your next check-in.
7. Bike decals will be distributed at Round 4 mileage check-in.
8. Within 5 business days after a round ends, results will be posted and shared. Winners will be contacted directly to redeem prizes.

**Only riders outside of Maryland, D.C., and N. Virginia who are chartered motorcycle club members are excused from in-person check-ins. Documentation showing club membership is required, in addition to cooperation from the club's president to officially check-in and submit mileage.*
